

FISH COMMITTEE MEETING

July 7, 2005

The meeting was called to order at 7:10 with the following in attendance:

Wally Raduns, Marty Beierwaltes, Jim Hibsich, Orv Bergsmith, John Scaduto, Mike Mazzaroli, Ron Dobrunz, Paul Hasselquist, Ken Anderson, Jeff Folkerts, Tony Lopez, Dan Wagner, Mike Sons, Roger Hardt, Jim Defranco and Walter and Dianne Postelnick

Due to a prior commitment by Joe, Wally Raduns handled the meeting this month.

The June minutes were read and a motion to accept the minutes was made and seconded.

OLD BUSINESS

Marty reported that our last total in the **Treasury** was \$4,833.96. After expenditures occurring this month, the new balance is \$4,290.80. This amount will change after the breakfast bills are paid and the money taken in for that morning is figured in.

It was brought to our attention that the treats for this month were made under duress because Karen had surgery on her arm, but that didn't keep her down and knowing Karen, she wouldn't think of disappointing all the members.

The **Kid's Clinic** was received well again this year with approximately 16 children in attendance with a total of 45 present. This included parents and grandparents. The day was beautiful and the clinic held outdoors this year. Joe conducted the class this year because the DNR was not available.

The **Carp contest** on May 29, June 5 and June 12 was won by Orvin with a total of 40, and Wally's son came in second with 14. .

After the meeting with Security regarding Lake Patrol, it was mentioned that we need a Captain of the Guard. Discussion was held on the floor regarding lake security and it was asked whether we can get a schedule of when they go on the lake. The members were then asked to leave their name at the office to let lake security know of our availability. Gary Wilke requested a list of people who would be available to check fishing boats coming in off of the lake. Gary will provide members proper identification to wear when stopping people at the marinas.
